# EVERYONE IN HARMONY

By Larry Bredesen

The River City Sound Chorus is really excited to enter a new era in our continuing evolution ... as of June 1st we are welcoming women to join our chorus if they are interested in singing Barbershop harmonies in a mixed chorus. Along with other Chapters in the International Barbershop Harmony Society who are supporting the "Everyone In Harmony" initiative, we are looking forward to ringing some chords together.

We have already had more than a half-dozen women join us at Wednesday rehearsals as part of the "Learn To Sing Better" Program, and on stage in our last two performances. Hopefully they, along with others, will be part of our future. If anyone knows someone who might be interested, please let them know about our next "Learn To Sing Better" Program in October .... let's grow our chorus together!

## NOTE FROM CHRIS MAGAS

Attention all Chorus members - We must find a home for the trailer that contains the wooden risers. It can no longer remain on Chris Magas' driveway for fear of his wife setting it on fire. Anyone who knows of space where this can be stored please let Chris know ASAP.
